### President's Column...

Hello Fellow SCI Members:

Greetings to all our members, I hope this newsletter finds everyone in good health. I am hopeful that 2021 will be a year that we can have more contact with each other and enjoy a summer membership meeting and a fundraiser the way we did pre-covid. The board members and I will be looking at getting some more outdoor activities that we can enjoy as a club.

If any of our members has any thoughts on this matter, we would love to hear from you. Turkey season is almost her! If you are a Turkey hunter, get out and enjoy the outdoors and be safe. I know a lot of people aren't traveling right now so try to get out in our great state of Florida and enjoy all the wonderful opportunities we have close to our homes

Thank you and stay safe!
